

GREEN

36TH ANNUAL TURF & LANDSCAPE CONFERENCE

December 6 – 8, 2011 • Taj Mahal, Atlantic City

JOIN US!

• Science-Based Education • Credits • Trade Show • Fellowship • Silent Auction • Networking •

The New Jersey **GREEN EXPO** is the best place to go to see new equipment and technology for the Green Industry.

Our Mission

The New Jersey GREEN EXPO is a science-based conference and trade show that provides education, business, fellowship, and environmental stewardship opportunities in partnership with the Golf Course Superintendents Association of New Jersey, and The Center for Turfgrass Science at Rutgers University.

Celebrating Our 36h Year!

The New Jersey Turfgrass Association is proud to host this spectacular event! Now in its 36th year, the New Jersey GREEN EXPO has become an event you won't want to miss. The turfgrass and landscape industries continue to grow and prosper, so plan to attend the education sessions and trade show to learn what's new in your industry!

The Educational Program

The NJ GREEN EXPO's comprehensive Educational Program is the source for the Green Industry to obtain cutting edge information for today's competitive economy. Programs deliver case studies, industry trends, "how to" applications, and tactics to assist you in becoming efficient and to make your business profitable.

The Trade Show

The NJ GREEN EXPO Trade Show is one of the largest Green Industry events in the tri-state area. You'll have an opportunity to see new products and services to help you make purchasing decisions and to develop important relationships in the Green Industry.

Credits

At the time of printing, GCSAA PDI credits, plus CT, DE, MD, NJ, NY, and PA pesticide recertification credits have been applied for. Credits noted next to sessions are anticipated based on past experience. We will update these credits on our website as we receive confirmation - www.njturfgrass.org. Call (973) 812-6467 if questions.

We reserve the right to change this program, including speakers and topics, if necessary.

Senator Stephen M. Sweeney Invited to Address Attendees!

NJ Senate President Sweeney has been invited to appear Tuesday, December 6, 2011, at the GREEN EXPO. Senate President Sweeney has come to know our industry and will be speaking on topics dealing with fertilizer and pesticide laws and legislation.

Scheduled to appear barring Senate schedule conflicts. Time may vary.

2011 New Jersey GREEN EXPO Turf & Landscape Conference

Presented by the The New Jersey Turfgrass Association in partnership with Golf Course Superintendents Association of New Jersey and Rutgers University, Center for Turfgrass Science

In Cooperation With:

- Irrigation Association of New Jersey
- New Jersey Agricultural Society
- New Jersey Agriculture Experiment Station
- New Jersey Cemetery Association
- New Jersey Green Industry Council
- New Jersey Landscape Contractors Association
- New Jersey Nursery and Landscape Association
- New Jersey School Buildings and Grounds Supervisors
- New Jersey Sod Growers Association
- New Jersey Turfgrass Foundation
- NJAES Board of Managers
- Rutgers Cooperative Extension
- Rutgers Turfgrass Alumni Association
- Rutgers University, School of Environmental and Biological Sciences
- Sports Field Managers Association of New Jersey

New Jersey Green Industry Council's

SILENT AUCTION at the Trade Show

Super products and golf opportunities donated by green industry businesses will be available on the GREEN EXPO Trade Show floor. Your bidding at this silent auction helps support the NJGIC, the association that leads the important legislative and regulatory initiatives that protect and benefit the green industry as a whole.

Tuesday, December 6, 2011

GREEN EXPO 2011 begins with our traditional Core session. This interactive meeting will keep you on your toes, asking you to participate during the game show with remote devices that immediately post the group's answers on the master board. Some of the questions can be tricky, so start your show with some fun at *Applicator Quiz-Know!* Last year, over 300 attendees rated this as one of their favorites...with core credits to boot.

9:00 - 11:30 AM CORE Session

5 Credits Core

- 9:00 - 10:00 **Life in the Regulated World: Compliance with Important DEP Regulations**
Stephen Bross, NJDEP & Nancy Sadlon, NJGIC
- 10:00 - 11:00 **Pay Attention to Calibration**
Joe Clark, Rutgers University
- 11:00 - 11:30 **Applicator Quiz-Know: An Interactive Game Show Focusing on Core Issues**, *Joe Clark, Rutgers Univ*

11:30 - 12:50 PM AWARDS LUNCHEON **FOOD** SPONSORED by **STORR TRACTOR COMPANY**

NJTA Annual Meeting
NJTA Awards
NJ Senate President, Stephen M. Sweeney (invited)

NJTA's loyal friend, **Mary Lou DesChamps of Storr Tractor Company** has once again sponsored lunch. We thank her for lunch, and for all she does for our industry!

1:00 - 4:00 PM LEARN & EARN SESSIONS PM

The **GCSANJ and USGA** have put together a two day session that references the difficult growing conditions of the past two years and focuses on regrassing options. These sessions will help you decide whether this course of action is for you. **Lawn & Landscape** will be discussing important legislation that you must be aware of to operate legally, along with a thorough review of the issues that concern you the most.

GCSANJ/USGA GOLF

2 Credits 3B

What's New with Regrassing? Part I

- 1:00 - 1:40 **Observations from a Difficult Year**
Adam Moeller, USGA & Rich Buckley, Rutgers Univ
- 1:40 - 2:20 **Restore, Regrass, Rebuild, or Leave it Alone?**
Dave Oatis, USGA
- 2:20 - 3:20 **Let's Look at the Soils: Criteria for Making Your Regrassing Decision**
Dr. Norm Hummel, Hummel & Co, Inc.
- 3:20 - 4:00 **Let's Look at the Details: What Works, What Doesn't** *Adam Moeller, USGA*

LAWN AND LANDSCAPE

4 Credits 3B, 1 Credit 3A

- 1:00 - 1:30 **Implementation of the Fertilizer Bill: What You Need to Know to Comply**
Dr. James Murphy, Rutgers University
- 1:30 - 2:00 **The Importance of Soil Testing**
Dr. Stephanie Murphy, Rutgers University
- 2:00 - 2:45 **Top 5 Weed Problems for the Landscape Professional** *Dr. Steve Hart, Rutgers University*
- 2:45 - 3:15 **How to Reestablish Lawns in the Spring**
Dr. William Meyer, Rutgers University
- 3:15 - 4:00 **The Top 4 Insect Problems for the Landscape Professional**
Dr. Albrecht Koppenhöfer, Rutgers University

SPORTS FIELD MANAGERS

The two-day sports field managers program begins with important information that will help you comply with state regulations while maintaining your school fields. Need Category 13 credits? Here they are!

7 Credits Category 13 and 7 Credits 3B

- 1:00 - 1:45 **Low Impact Pesticides to Control Weeds on School Grounds**
Dr. Douglas Linde, Delaware Valley College
- 1:45 - 2:30 **White Grub Control Strategies for School Grounds Using Insect-pathogenic Nematodes**
Dr. Albrecht Koppenhöfer, Rutgers University
- 2:30 - 3:00 **Controlling Turfgrass Diseases in a School Environment**
Steve McDonald, Turfgrass Disease Solutions, LLC
- 3:00 - 4:00 **Sports Field Management in Accordance with the NJ School IPM Law**
Rich Watson, Pine Hill Schools

Our Trade Show is shaping up to be the best in recent memory, with a number of new vendors joining us this year. What hasn't changed is the chance to greet old friends and meet new ones, and a wide variety of free food is included as well. Need another Core credit? Dr. Grande will once again be presenting a demonstration in the education area of the floor.

4:00 - 7:30 TRADE SHOW - DAY 1

GRAND OPENING

Sponsored by **SYNGENTA** **FOOD**

Dinner

Sponsored by **BASF Corporation**

CORE ON THE FLOOR 1 Credit Core

- 5:00 - 5:30 **Enhancing Pesticide Performance With Pesticide Application Basics**

Dr. John Grande, Rutgers University, Snyder Research Farm

Session repeated on Wednesday during the Trade Show.

You earn 1 Core credit for either session (not both).

7:30 PM - ? HOSPITALITY ROOMS

New Jersey Green Industry Council (NJGIC)

This is the umbrella organization representing the interests of various sectors of the green industry to secure reasonable policy in the state of New Jersey.

What Do We Do?

We are your voice in Trenton -- we defend your interests! We are the New Jersey group that watches out for new laws and regulations that might impact you.

Hear from NJ Senate President, Stephen M. Sweeney, at the Tuesday Awards Luncheon.

Wednesday, December 7, 2011

7:00 AM - 9:00 AM Rutgers Turfgrass Advisory Breakfast

(by invitation)

9:00 - 11:30 PM LEARN & EARN SESSIONS AM

Part II of the **Golf "Regrassing"** session will culminate with success stories from several superintendents; our **Lawn & Landscape** session focuses on important concerns; and the **Sports Field** session has been developed to address the specific concerns you've asked for.

Day 2 of Green Expo has something for everybody, and the Trade Show once again offers a free lunch for all.

GCSANJ/USGA GOLF Session What's New with Regrassing? Part II 1 Credit 3B

- 9:00 - 9:30 **Disasters & Marginal Successes: What can go wrong?**
Dave Oatis, USGA
- 9:30 - 10:00 **Ok, You've got Bentgrass. Let's Keep the Poa Out!**
Dr. Steve Hart, Rutgers University
- 10:00 - 10:30 **What About Converting the Fairways?**
Dr. James Murphy, Rutgers University
- 10:30 - 11:30 **Putting It all Together: Restoration Success Stories**
Scott Niven, Stanwich Club
Joe Alonzi, Westchester Country Club

LAWN & LANDSCAPE Session 2 Credits 3A, 1 Credit 3B

- 9:00 - 9:30 **Pesticide Legislation: Status and Impact of Limiting the Tool Box Selections for Lawn and Landscape Application -- Status of the Safe Playing Field Act, & More!**
Brian Feldman, TruGreen Companies;
Nancy Sadlon, NJGIC; Brad Park, Rutgers University
- 9:30 - 10:00 **Controlling Weeds in Ornamental Beds**
Dr. Steve Hart, Rutgers University
- 10:00 - 11:00 **Oh Deer! Controlling Deer and Selecting Resistant Plants**
Steve Kristoph, Steven Kristoph Nursery
- 11:00 - 11:30 **How to Fit New Products into an Overall Crabgrass Management Program**
Carrie Mansue, Rutgers University

SPORTS FIELD MANAGERS Session 1 Credit 3B

- 7:30 - 8:30 **Early Bird Sports Field Managers Networking Roundtable Discussion**
- 8:30 - 9:30 **Annual Business Meeting with SFMANJ Legislative Update**
- 9:30 - 10:30 **Practical Solutions to Failed Sports Fields**
Dr. Norm Hummel, Hummel & Co, Inc.
- 10:30 - 11:30 **Maintenance of a Synthetic Infill Field**
Shawn Mahonski, Towson University

11:30 - 2:30 PM TRADE SHOW, DAY 2 CREDITS ON THE FLOOR

12:15 - 12:45 **Enhancing Pesticide Performance with Pesticide Application Basics (Repeat of Tues Session)**

Dr. John Grande, Rutgers University
(If did not attend Tuesday Session)

1:00 - 2:00

GCSANJ PRESENTS: Assistant Superintendent Career Workshop. A discussion on how to position yourself for success in a very competitive job market, presented in the Learning Center of the Trade Show

Mark Kuhns, Baltusrol Golf Club, Past Pres, GCSAA

Sponsored by Tree-Tech

2:30 - 5:00 PM LEARN & EARN SESSIONS PM

Wednesday afternoon keeps the momentum going with interesting and useful talks focusing on key issues for every turf discipline, and two remarkable stories will be shared as well: The Pinehurst Restoration story is an amazing tale of taking a great course back to its roots, while the NYC High Line Project tells of the remarkable transformation of an elevated train line in NYC being converted to an incredible city park.

GCSANJ GOLF Session

1 Credit Core, 2 Credits 3B

- 2:30 - 2:45 **The 2 Faces of Dollar Spot: The Unmasking of An Age-old Fungus** *Lisa Beirn, Rutgers University*
- 2:45 - 3:30 **BMP's for Fairy Ring on Golf Courses**
Dr. Lane Tredway, NC State University
- 3:30 - 4:00 **Tank Mixing and Phytotoxicity: What can I Safely and Effectively Apply?**
Steve McDonald, Turfgrass Disease Solutions, LLC.
- 4:00 - 5:00 **The Pinehurst Restoration Story: Back to the Future** *Bob Farren, Pinehurst Golf Club*

SPORTS FIELD MANAGERS Session 1 Credit 3B

- 2:30 - 3:30 **Research-based Turfgrass Variety Selection**
Brad Park, Rutgers University
- 3:30 - 5:00 **PANEL DISCUSSION: Doing More with Less: Surviving the Problem**
Don Savard, CSFM, CGM, Moderator
Tom Carter, Purchasing Manager, Cherry Hill Public Schools
Tom O'Donnell, Director of Buildings and Grounds, Pine Hill Public Schools
Brad Pastrick, Sports Field Manager, North Brunswick Parks
Bill Foelsch, Director of Parks and Recreation, Morris Township

LAWN & LANDSCAPE Session

1 Credit 3A

- 2:30 - 3:30 **Putting Sustainable Landscape Principles into Practice**
Steve Kristoph, Steven Kristoph Nursery
- 3:30 - 4:00 **No Insect, No Disease: Recognizing Plant Damage From Abiotic Stress Factors**
Rich Buckley, Rutgers University
- 4:00 - 5:00 **The New York City High Line Project**
Pat Cullina, Friends of the High Line's Vice President of Horticulture & Park Operations
- 5:00 - 7:00 PM **Grass Roots Golf MIX AND MINGLE** (see below)
- 6:30 - 10:00 PM **Speakers Dinner (by invitation)**

The social events just keep coming, and once again our good friends at Grass Roots, Inc. are hosting the Golf Mix 'n Mingle. Previous attendees know that this event is a social highlight of Green Expo, and we certainly hope to see you there. Thanks, Ken and Keith Kubik, for the great party!

WEDNESDAY NIGHT

5:00 - 7:00 PM

Grass Roots Golf MIX AND MINGLE
Hosted by Ken and Keith Kubik, Grass Roots, Inc.

Irrigation Association of New Jersey

Seminar: 3:00 - 5:30 PM • Dinner: 6 - 9 PM

Call to Register: (973) 850-3366

Thursday, December 8, 2011

RUTGERS SEMINARS

The popular Rutgers Seminars kick off the last day of Green Expo, offering several of the finest speakers and scientists in the world. This is the place to get the specific knowledge you need to improve your operation and your professionalism.

8:00 - 12:00 **GOLF Session** 6 Credits 3B

8:00 - 8:50 **Managing Bacterial Wilt and Pythium Diseases on Golf Greens**

Dr. Lane Tredway, NC State University

8:50 - 9:10 **Impact of Fungicide Chemistry and Irrigation on Brown Ring Patch Control**

Steve McDonald, Turfgrass Disease Solutions, LLC.

9:10 - 9:40 **What's New with Fungicide Products and Premixes**

Dr. Bruce Clarke, Rutgers University

9:40 - 10:10 **Managing Velvet, Colonial, and Creeping Bentgrass**

Dr. James Murphy, Rutgers University

10:10 - 10:20 **Break**

10:20 - 10:50 **Life in a Regulated World: Impact of PGRs on Turfgrass Physiology**

Dr. Bingru Huang, Rutgers University

10:50 - 11:20 **Best Management Practices for the Control of the Annual Bluegrass Weevil**

Dr. Albrecht Koppenhöfer, Rutgers University

11:20 - 11:50 **Best Management Practices for Snow Molds**

Dr. Bruce Clarke, Rutgers University

11:50 - 12:00 **Putting It All Together: Lessons Learned in 2011**

Dr. Bruce Clarke, Rutgers University

Credits from GCSAA PDI, plus CT, DE, MD, NJ, NY, & PA pesticide recertification credits have been applied for and are expected.

8:00 - 12:00 **LAWN & LANDSCAPE Session**

8 Credits 3B

**“BUCKLEY’S BOOT CAMP II”
Basic Training in Diseases and Insect Pests of Turfgrass and Ornamentals**

Rich Buckley & Sabrina Tirpak

Rutgers University, Plant Diagnostic Laboratory

8:00 - 9:00 **Basic Turf Disease Part 2:**

THE RINGS OF DEATH

9:00 - 10:00 **The Complete White Grub**

10:00 - 12:00 **Pointing Out the Obvious: Common Diseases and Insect Pests in Northeast Landscapes in 2011**

12:00 - 1:00 PM **LUNCH ON YOUR OWN**

12:00 - 1:00 **NJGIC Advisory Forum**

(by invitation)

1:00 - 3:00 PM **CORE Session
Developing Agronomic Spray Programs**

4 Core Credits

We've asked Dr. Michael Agnew from the Syngenta Company to come back and lead the final session of Green Expo -- a 2 hour, core credit session. Many will remember Mike's talks from several years ago, and will be sure to attend -- you've consistently rated him as one of our most popular speakers.

1:00 - 2:00 **Keeping within EPA Limits, Reducing Potential Fungicide Resistance**

2:00 - 3:00 **Using Sound Application Techniques to Apply Pesticides Safely and Correctly**

General Green Expo Information

New Jersey GREEN EXPO Turf and Landscape Conference 2011 continues the proud tradition as a "pacesetter" in the turfgrass and landscape industry. This year's NJ GREEN EXPO will be held **December 6 - 8, 2011**, at the Trump Taj Mahal at Virginia Avenue and the Boardwalk in Atlantic City, NJ.

New Jersey GREEN EXPO Turf and Landscape Conference activities are committed to serving the interests and needs of the various facets of the turfgrass and landscape industry, and represents the combined efforts of the New Jersey Turfgrass Association, Golf Course Superintendents Association of New Jersey, Rutgers Cooperative Extension, SEBS (School of Environmental and Biological Sciences), and other allied associations. The format of an Educational Conference combined with a Trade Show has provided turfgrass, landscape, and irrigation professionals "an excellent and unequalled opportunity...not only to broaden their knowledge and expertise but also to stay abreast of recent developments in the industry."

Entrance Requirements

Attendance at the education sessions and trade show is open to anyone interested in better turf and landscaping, regardless of gender, race, color, national origin, or handicap. Individuals with a turfgrass or landscaping and/or irrigation background and experience should benefit most. Registration is required for attendance to all of the scheduled activities. Please note registration procedures.

Education Program

Education sessions are designed to acquaint and update professional turf managers, landscapers, and irrigation specialists with the fundamental principles that underlie successful establishment and management of turf and landscaping for golf courses, lawns, parks, cemeteries, school grounds, athletic fields, estates, sod farms, etc.

Modern trends and developments pertaining to soil and water management and selection and use of turfgrasses and ornamentals, identification of pests and pest problems, use of fertilizers and pesticides, turfgrass management, landscaping and IPM will be topics discussed in the educational sessions. Special emphasis is placed on recent developments in research. The program contains a wide range of topics to be discussed by highly qualified speakers.

Topics specifically related to pest identification, pesticides, and pesticide application techniques are eligible for credit in fulfillment of requirements toward Continuing Pesticide Applicator Certification. A representative of the NJ DEP Office of Pesticide Control will be present during the Education Program to provide the necessary forms for those registrants who wish to receive credit for attending sessions eligible for continuing certification. Certain programs may be subject to change if unforeseen circumstances warrant the same.
